

*Dear Adam,*

*I have been waiting a very long time for a word from you. I patiently waited for you to reason with yourself and come to the point of asking yourself why you and your family suffer so dearly, to ask yourself why there is so much pain and destruction. Why is surviving so important to you when survival is impossible? Why is it that the more effort you invest in your own survival, the closer you come to your destruction? Did I not warn you that if you ate of the Tree of the Knowledge of Good and Evil that you would die? And that you would be cut off from the Living Tree? Adam, you cannot eat from both trees at the same time. You can only eat of one or the other, but you can never eat of both at the same time. It is impossible. In order to eat of the Living Tree, you must stop eating from the Forbidden Tree, the Tree of Independence.*

*In the beginning, I created a perfect world, a perfect home for you in which to live, in which to live with Me as My son. I wanted a family, one with which I could share My name, one which would live in harmony and happiness with Me. But I created you in My own image. Therefore, it was inevitable for you to challenge Me, to want My place as head of My family. You wanted to be a father rather than be a son. You wanted to be a provider instead of being a dependent. Adam, did you not learn that you cannot be a father or a provider independent of Me? Did you not learn that in order to provide for dependents that you must yourself first be a dependent to your father? You may be aware of the hurt you have caused yourself and to your family. But do you fully grasp the hurt that you caused Me, your Father, your Giver of Life?*

*With Loving Optimism,*

*Your Creator*
