

Thus says the LORD God, "I will not strive with Mankind forever in his erring."

Jesus said, "I am come into the world to correct the world of all misunderstandings about three things: about sin, about righteousness, and about judgment."

Firstly, it is about sin, for by eating of the Tree of the Knowledge of Good and Evil, I die;

Secondly, about righteousness, for by surrendering access to the Tree of the Knowledge of Good and Evil to my Heavenly Father, I am granted access to the Living Tree;

And thirdly, about judgment, for it is ultimately my choice."
