

Adam,

Again, address your children and remind them that when I spoke to My people through Moses, I instituted special feasts which reflected My Mind, My point of view. Today, thousands of years later, they have substituted My feasts with feasts dedicated to their imaginary god, Mammon. And during the feast days, in their revelling, they make pilgrimages to the shrines dedicated to Mammon where they purchase gifts, gifts to give to one another. Have I not made My Mind plain to your children? Have I not expressed Myself clearly enough to this generation? I sent Covid-19 as an expression of My displeasure while giving them the invitation to turn to Me and enquire of Me as to why I show such displeasure. They did not. Therefore I increase the strength of My Covid-19 to emphasize My message. The longer they delay, the longer I delay. The sooner they return to Me, the sooner I return to them.
