

*Adam,*

*Speak to your children and tell them that I fully understand what it feels like to be alone, to be lonely. Through this time of imposed isolation, they are experiencing the difficulties and pains associated with this. Do not think that I do not sympathise nor empathise. On the contrary, I am inviting them to sympathise and empathise with My everlasting aloneness. I am eternally and perfectly alone for there are no others like Me. That is why I created you, Adam, you and your family. It was My full intention of having a family willing to keep Me company to help alleviate My loneliness and boredom. Let them know that if they turn to Me and accept to share in My loneliness, I will respond very favourably and actively endeavour to relieve them of their loneliness and pain by giving them a true sense of purpose in a loving, harmonious relationship.*

*Patiently,*

*Your Father and Provider of True Love*

*P.S. Your children have this annoying habit of turning to Me selfishly wanting Me to join them in their lives and support them in their needs and interests while ignoring Mine.*
