

Adam,

I gave you adequate intelligence to be able to learn what animals cannot learn. I gave you intelligence which you can choose to use or not. I gave you freedom of choice. And with this freedom, there is responsibility and consequences for your decisions. I made you free to choose, but I never gave you the power to dictate the consequences of your decisions. I have already reserved this right for Myself for I have the power. I have already dictated and forever enforce the consequences of your decisions, Adam, for I am sovereign. You have no rights, for rights are innate and inalienable. Only a sovereign has rights. You, Adam, are only given privileges which are handed down to you by Me at My discretion. Until you realize and accept this fact, you are not only forever at war with Me, but also at war with everyone else around you. Stop claiming that you have rights, you proud and foolish boy.

God,
The Sovereign One
