

Adam,

Tell your children that I have bad news and I have good news for them. Tell your children that they are on a dead-end course to self-destruction. And, unless your children humble themselves and pray and seek My face, and turn from their wicked ways, I will not spare them the consequence of their decision. Tell your children that their great error is of dismissing Me, behaving as though I do not exist. And those who pretend that I exist refuse to hear what I have said and what I continue to say. Tell them that they are following self-appointed leaders and that their illegitimate leaders are leading them to certain destruction.

The good news is that I have not forgotten your children and that I have appointed My one genuine shepherd. By receiving him, you receive Me. All those who remain in the Tree of the Knowledge of Good and Evil are dead. And all those who receive My genuine shepherd are led out of the Tree of Death and are led to the Tree of Life.
