

Dear Eve,

*Life has been most difficult and challenging for the children since my Father sent Covid-19 into the world over a year ago. Has it not? I do recognize that the children reject me and what I have to say just as they reject my Father and what He has to say. For if they were interested in what God my Father was saying, they would listen to me. I am relaying what He tells me. And what He tells me is that He honours His own word perfectly. He said to us all that if we eat of the Tree of the Knowledge of Good and Evil, we die. And in that condition of death, He chastises us relentlessly until He obtains what He wants of us.*

*The children are stubbornly clinging to the idea that they can defend themselves against God my Father. How sad. How pitiful. The longer they resist and refuse to repent, the longer my Father will chastise them. In fact, He informs me that He will increase the chastisement and not decrease it.*

*It has been a very long time of rebellion, has it not? Do you not remember how beautiful, how wonderful it was in the beginning? Do you not fully grasp that it is possible to return to that original condition? Only by repenting and returning to God my Father? I have returned. But I cannot return for everyone. Every person must repent and return for himself. So tell the children. If you do not, then where is your love for your children? Have you no concern at all?*

*With Great Concern,  
Adam*
